EMV CHIP DEBIT CARDS ARE COMING

Brunswick State Bank is converting our debit cards to the new EMV Chip technology. This will enhance the security of our cards and help further prevent fraud by making it more difficult for your personal information to be compromised.

Please take note of the GO LIVE date and following information on Brunswick State Bank's conversion to the new EMV Chip Card.

- Your new Brunswick State Bank EMV Chip Debit Card will arrive during the first half of June, 2017.
- Upon receiving your new EMV Chip Card, follow the included instructions to activate the card. If you fail to complete the activation process, the card will not be ready for use on the GO LIVE date of June 19th, 2017.
- During the activation process you will set up your own PIN(Personal Identification Number). The PIN will consist of 4 numbers chosen by you. We strongly recommend these numbers NOT be associated with account numbers, birthdates, anniversaries, or any other personal information that could be used to figure out your PIN. It is best to have a truly random PIN determined by you for best security results.
- June 19th, 2017 is the first day you will be able to use your new EMV Chip Card. You must activate the card prior to that date in order for it to be ready on the GO LIVE date of June 19th, 2017.
- Prior to June 19th, 2017, please continue using your current debit card.
- Your current debit card will no longer be active as of June 19th, 2017.
- Any automatic payments set up with your current debit card will need to be changed for payments initiated after June 19th, 2017. Your new EMV Chip Card's number will be different from your current card, therefore you must update any vendor using your current debit card with the new EMV Chip Card information.

By following these instructions, we hope to make the transition to the new EMV Chip Card a smooth one.

All of our staff at Brunswick State Bank are excited to bring this new technology to our customers and help enhance our service to you!! Please don't hesitate to contact us with any questions you may have.

Sincerely,

Brunswick State Bank
