

In order for us to provide you with a safe and more up-to-date system, we have to go through some unfortunate delays.

If you are enrolled in eStatements, please download or print this year's statements if possible. As part of our system migration on September 8, 2026, statements and check images dated before September 8th of 2026 will not be available in online or mobile banking until December 23, 2026, or January 15, 2027. It is going to take a little time to move everything.

Your account will still show all of your activity. Current statement and images will show right away.

If you need a copy of an older statement or check image during this transition, please contact your branch—we will be happy to assist you.

Thank you for your patience during this transition, and we apologize for any inconvenience
